Dimensions				
Width 17"	Depth 10.5"	Height 43.5"	Weight 118 Lb.	Notes: Pedestal Stand Included.

The Miracle Paint DC-1-P Sport floor model is engineered for industrial use yet is quiet and versatile enough to be used in a laboratory. The single axis rocking motion provides a thorough and efficient mix for one container at a time at the most economical price (to mix two containers simultaneously see the Challenger models).

A great variety of container shapes and sizes fit safely and securely into this floor mounted mixer. The single arm, front loading DC-1-P Sport, vertically clamps pints, quarts, and gallons without using adaptors. If you prefer horizontal clamping, our optional side clamp is the solution.

The unit comes standard with a 30 minute mechanical timer and the power cord plugs into any standard wall outlet for maximum flexibility.

All Miracle Paint shakers are quality built, and will deliver years of dependable service. A full one year parts and labor warranty comes standard.
