

LINELAZER™ III 200HS

High-Performance Airless Line Striper

NEW

Higher Output, Higher Production.

INTRODUCING GRACO'S NEW HYDRAULIC LINE STRIPER

The LineLazer III 200HS sets a new standard in high-production striping. This hardworking striper boasts plenty of features and capabilities to set it apart!

- The Digital Tracking System™ puts valuable job specs at your fingertips.
- Easy Reach Controls allow fine-tuning of settings while you stripe.
- Fat Track™ System keeps the striper stable for sharper lines.
- QuikSelect™ Gun Selector makes switching between one or two guns and solid or skip lines a snap!
- The Endurance™ Piston Pump delivers unmatched dependability and long life.

CONTRACTOR

PROVEN QUALITY. LEADING TECHNOLOGY.

LineLazer III 200hs: High output for high-production line striping.

INDUSTRY-LEADING FEATURES MAKE YOUR JOB EASY!

Graco Quality and Technology – Inside and Out!

The newest member of Graco's LineLazer III family, the 200hs hydraulic striper, is designed to handle your most demanding jobs with ease.
