After 60 years the Miracle Blue Boy is still the industry standard for five gallon mixing. The simple design, dependability and size makes this versatile heavy duty paint mixer a valuable component to your mixing department. The Miracle Paint MBB-5-C EXP Explosion Proof mixer allows you to mix in a Class I, Group D environment.

The highly efficient, fast operating clamping system allows you to shake 1, 2, or 5 gallon steel or plastic pails up to 80 pounds without the use of adapters. Simply load your five gallon pail horizontally and secure the clamp. The Blue Boy comes with a 115/230 volt 1/2 H.P. motor giving you all the versatility you need to get the job done right. The Explosion Proof unit must be installed by a certified electrician in compliance with the hazardous environment the mixing is taking place in.

All Miracle Paint shakers are quality built, and will deliver years of dependable service. A full one year parts and labor warranty comes standard.
